There will be a local crossing point using Milland Lane/Iping Road to cross the cycling route which goes along Fernhurst Road/Rake Road. This will be for local resident use only and for access to The Rising Sun pub. This local crossing point will be managed by event marshals and will be in operation throughout the day allowing vehicles to cross the route throughout the road closure period, however queues should be expected.

Please plan additional time for your travel as delays may be expected at this local crossing point. It is recommended that if you will need to make a journey on the day of the event to park on the side of the route that you will need to travel in.

**Parking will be suspended on Fernhurst Road and Rake Road. Any cars left parked on the cycling route may need to be removed for safety reasons. We also ask residents not to park on Milland Lane or Iping Road near the crossing point to allow for vehicle flow throughout the day.**

*Failure to follow the directions of event staff may result in stewards having to close the access route due to safety concerns. We request your full cooperation for the duration of the road closure.*
